DETAILED ACTION
Election/Restrictions

Restriction is required under 35 U.S.C. 121 and 372.

This application contains the following inventions or groups of inventions which are not so linked as to form a single general inventive concept under PCT Rule 13.1.

In accordance with 37 CFR 1.499, applicant is required, in reply to this action, to elect a single invention to which the claims must be restricted.

Group I, claim(s) 17-20, drawn to an ice cream composition containing Lo Han Kuo Extract.

Group II, claim(s) 21 and 22, drawn to a powdered low carbohydrate sweetener comprising Lo Han Kuo Extract.

Group III, claim(s) 23-25, drawn to a cane sugar free sweetener comprising Lo Han Kuo Extract.

Group IV, claim(s) 26-28, drawn to a process for making ice cream containing Lo Han Kuo Extract.

The inventions listed as Groups I through IV do not relate to a single general inventive concept under PCT Rule 13.1 because, under PCT Rule 13.2, they lack the same or corresponding special technical features for the following reasons: the corresponding technical feature is the use of Lo Han Kuo extract as a sweetener in foods, such as ice cream. Sarama et al (US 2003/0045473 A1) teaches that Lo Han Kuo extract is incorporated in foods, including ice creams, as a sweetener (paragraphs 0074 and 0102-0104). Thus, the corresponding feature linking the Groups of inventions is not a special technical feature and the Groups do not relate to a single general inventive concept.

Applicant is advised that the reply to this requirement to be complete must include (i) an election of a species or invention to be examined even though the requirement may be traversed (37 CFR 1.143) and (ii) identification of the claims encompassing the elected invention.

Art Unit: 1794

The election of an invention or species may be made with or without traverse. To preserve a right to petition, the election must be made with traverse. If the reply does not distinctly and specifically point out supposed errors in the restriction requirement, the election shall be treated as an election without traverse.
